### **Announcement on Forecast Growth of Operation Results for Year 2017**

To the best of our knowledge, the Board of Directors of the Company and its members confirm that there is no material false or misleading statement or material omission in this announcement and shall be severally and jointly liable for the truthfulness, accuracy and completeness of its content.

#### **Highlights:**

1. Performance of the Company is predicted to increase by 1.36 billion Yuan-1.58 billion Yuan, up by 300%-350% over the same period of last year.

2. The predicted growth in operation results are due to the following reasons: 1) Supply demand balance change resulted from government's emphasis on environmental protection and supply side structural reform led to price surge of cement and clinker compared with the same period of last year; profitability of unit product gained strength. 2) During the reporting period, the Company consolidated the financial statements of acquired plants in Yunan, Guizhou and Chongqing originally belonging to LAFARGE CHINA CEMENT LIMITED, thus its operation scale has been expanded, and in addition, performance of the acquired plants has also been improved greatly. 3) The performance of new businesses in the Company such as aggregate and Eco enjoyed substantial improvement.
